Dear Saturna Islanders:

Re: Saturna Island Groundwater Issues – Next Steps

The Saturna Island Local Trust Committee (LTC) sponsored a ground water workshop at the Community Hall on May 7, 2011. The workshop was well attended with over 70 members of the public spending a good part of their Saturday listening to several technical and government speakers addressing the topic.

A report was produced by facilitator Ron Monk and is posted on the Islands Trust website for your reference (<http://islandstrust.bc.ca/ltc/sa/pdf/sastrpteastptmay072011.pdf>). Full notes of the workshop are posted as well (<http://islandstrust.bc.ca/ltc/sa/pdf/sanoteseastptmay072011.pdf>) and we encourage you to download them and read them at your leisure.

What do you see as next steps in the process of addressing this matter? If you have ideas or suggestions please contact us at the addresses below.

The LTC has a business meeting scheduled for August 31, 2011 at the Community Hall and would like to consider your comments on this matter at that time. We ask that you forward your comments no later than August 19, 2011 so that they can be included in the LTC agenda package.

Peter Luckham, Chair, Saturna Island Local Trust Committee
