Greening our Shores: Gambier Island Webinar

Mar 20, 2013 6:30-8:30 PM

Please register at:

<https://attendee.gotowebinar.com/register/283127891335834112>

Please join us for a webinar about shoreline stewardship. Learn about recent shoreline mapping initiatives, eelgrass conservation in your area, and how using a Green Shores for Homes approach can help your property and its coastal ecosystem.

Pre-registration is required by clicking the link above. You will be asked to provide your name and email address to register. After registration, instructions will be sent for how to join the webinar. Please connect to the meeting at least 10 minutes prior to the start time as you will be prompted to download the Citrix software to view the webinar, which is quick and easy to install. You will be able to remove the software after the workshop.

The personal information you provide for registration (name and email address) will be used solely for the purpose of enabling on-line access to participate in the Greening your Shores: Gambier Island Webinar. You will receive information about how to participate in the workshop and a reminder of its occurrence. Personal information is collected under the authority of the Local Government Act and is subject to the *Freedom and Information and Protection of Privacy Act*. Enquiries about the collection or use of information for this webinar can be directed to Sonja Zupanec, Island Planner, 250-247-2211.

After registering, you will receive a confirmation email containing information about joining the webinar.
