Dear Chair Malcolmson:

Re: Submission to B.C. on the Move

Thank you for your correspondence providing feedback on the ministry's B.C. on the Move 10-year transportation plan.

As you will be aware, the ministry recently completed consultation for our 10-year transportation plan, called B.C. on the Move. I appreciated receiving your feedback, and I am pleased to confirm your input has been shared with ministry staff for consideration as the short, medium and long-term priorities are being finalized for the plan.

Citizens and leaders of communities, business and transportation organizations from across British Columbia have now let us know what priorities are most important to them, and the ideas and suggestions we have received will be invaluable in identifying potential improvements and helping to shape the future of transportation in our province.

The plan and the report sharing the outcomes of the engagement process will be published early in the spring of 2015. In the meantime, thank you again for taking part in this process.

Sincerely,

Todd G. Stone
Minister
