Dear Jordan Sturdy:

Re: Consultation with Islands Trust regarding the Sunshine Coast Fixed Link study

Happy New Year!

In September 2015, you advised that you plan to meet with local governments and community members to gauge community interest in a fixed link on the Sunshine Coast.

As Chair of the Gambier Island Local Trust Committee, I am pleased to invite you to visit Gambier Island. We would be happy to arrange a public meeting for you to engage with the community on a fixed link possibility.

If you are unable to visit Gambier Island, the Gambier Island Local Trust Committee has scheduled regular business meetings on the North Shore in January and March 2016, at which time, a Community Information Meeting could be arranged.

Island Planner Aleksandra Brzozowski is available to assist with meeting arrangements. She can be reached at abrzozowski@islandstrust.bc.ca or 250-247-2207.

Sincerely,

Susan Morrison
Chair, Gambier Island Local Trust Committee
