Dear Chair Luckham and Councillors:

On behalf of the joint Provincial-Union of British Columbia Municipalities (UBCM) Green Communities Committee (GCC), we would like to extend our congratulations for successfully achieving your goal of corporate carbon neutrality for the 2016 reporting year.

As a signatory to the Climate Action Charter, you have demonstrated your commitment to work with the Province of British Columbia and UBCM to take action on climate change and to reduce greenhouse gas emissions in your community and corporate operations.

The work that your local government has undertaken to reduce and offset its corporate emissions demonstrates significant climate leadership and sets the stage for broader climate action in the community. Your leadership and commitment continues to be essential to ensuring the achievement of our collective climate action goals.

The GCC was established under the Charter to support local governments in achieving their climate goals. In acknowledgement of the efforts of local leaders, the GCC is again recognizing the progress and achievements of local governments such as yours through the multi-level Climate Action Recognition Program. A description of this program is enclosed for your reference.

As a Charter signatory who achieved Level 1, Level 2 and Level 3 recognition, and additionally met the goal of corporate carbon neutrality for the 2016 reporting year, you have been awarded Level 4 recognition – 'Achievement of Carbon Neutrality'.

In recognition of your significant achievements, the GCC is very pleased to provide you with carbon neutral branding for use on websites and letterheads. An electronic file with the 2016 logo will be provided to your Chief Administrative Officer. Also enclosed is a *BC Climate Action Community 2016 – Climate Leader - Carbon Neutral* window decal, for use on public buildings.
