

**Pender Post December 2018**  
**North Pender Trustee Corner**  
**By Deb Morrison and Ben McConchie**

In order to facilitate better communication about the Islands Trust overall and our specific work here on the Pender Islands we are going to build a local website ([www.penderislandstrust.org](http://www.penderislandstrust.org)). Please look to this space for a calendar, updates on activities, and other timely information. In addition please direct all trust related email to Deb at [dmorrison@islandstrust.bc.ca](mailto:dmorrison@islandstrust.bc.ca) and Ben at [bmccconchie@islandstrust.bc.ca](mailto:bmccconchie@islandstrust.bc.ca). Check out the calendar on the new website and on the Chamber of Commerce for an early December informational meeting in the Community Hall on the Islands Trust. All are welcome. Please bring your questions, thoughts and be sure to engage civilly with Trustees, Staff, and your fellow community members as this will be a reinforced norm at any Islands Trust events.
