Dear: Ms. Hutcheson,

**RE: Mayne Island – St. John Point Regional Park**

Thank you for your letter of March 10<sup>th</sup>, 2020. I realize this reply may seem quite delayed; however with the COVID-19 pandemic occurring shortly after I received the letter, the first time the Mayne Island Local Trust Committee (LTC) had a chance to discuss its contents was at its meeting of May 25<sup>th</sup>, 2020. I have been asked to briefly respond to your letter. In particular the LTC passed a motion at its business meeting as follows:

*That the Mayne Island Local Trust Committee ask Chair Rogers to send a letter to the Capital Regional District detailing concerns regarding a parking lot of 20 spaces.*

At the LTC business meeting, trustees expressed the view that the creation of 20 parking spaces was not in keeping of their view of a passive recreation park. This type of “development” seems too extensive for this type of use and consideration of a smaller parking lot would be appropriate. The LTC would ask the CRD to work with the Islands Trust planners and local trustees to modify this proposal so that it is more in keeping with the trustee’s view of appropriate amenity development. We suggest you could contact Planner Narissa Chadwick or Regional Planning Manager Robert Kojima, both of whom are copied on the email forwarding this letter.

Sincerely,

Dan Rogers, Chair  
Mayne Island Local Trust Committee
