Dear Ms. Malcolmson:

Thank you for your letter regarding the LiveSmart BC energy efficiency incentive program.

I have forwarded a copy of your letter to the Honourable Blair Lekstrom, Minister of Energy, Mines and Petroleum Resources. I have asked Minister Lekstrom to review the contents of your letter and to ensure that you receive a response that addresses your concerns directly. You will be hearing from the Minister in this regard in the coming weeks.

Again, thank you for writing. I appreciate the time that you have taken to bring your concerns, and those of the Islands Trust Council, to my attention.
