<i>of the groundwater of the Trust Area.</i>			grey-water, composting toilets, etc.	
<p>3.1.9 Trust Council encourages actions and programs of other government agencies which:</p> <ul style="list-style-type: none"> <li>place priority on the side of protection for Trust Area ecosystems when judgment must be exercised.</li> </ul>	<ul style="list-style-type: none"> <li>Provincial recognition of Islands Trust object</li> </ul>	<ul style="list-style-type: none"> <li>All programs and ministries</li> </ul>	<ul style="list-style-type: none"> <li>Political leadership to ensure provincial politicians and staff are familiar with and support the provincial Islands Trust object.</li> </ul>	<ul style="list-style-type: none"> <li></li> </ul>

**Role of Other Government and Non-Government Organizations**

*“Government agencies and non-government organizations can contribute greatly to the preservation and protection of the environment and amenities of the Trust Area through cooperative actions based on the Policy Statement. Cooperative actions such as protocols and mutually supportive strategies and action plans are necessary for the sustainability of the Trust Area.”*  
- the **Islands Trust Policy Statement**
